The Sign Over Your Door

Is a good thing, isn't it? You would not think of doing busines without it.

But it is only seen by those who pass your way.

If you could put a sign where everyone could see it, would i interest you?

THE CITY DIRECTORY

Is where people look for you when they want to do busines You should make it easy for them to find you, by putting such information as a buyer wants, in the Directory properly indexe under all headings where he might look for you.

To be properly registered costs less than to be left out.
